Freefall Pinot Gris 2008

Variety: 100% Pinot Gris

Region: 100% Waipara

Philosophy: Freefall Wines take inspiration from New Zealand's adventurous spirit and are best enjoyed following the conquering of your own personal challenge!

Winemaking: Sourced from one of the best Pinot Gris vineyards in Waipara (located 40 minutes drive north of Christchurch), the fruit was crushed and destemmed before cold settling the juice. The texture and viscosity resulted from a low press extraction. A cool ferment built the fresh fruit characters, which was then followed by 3 months on light fermentation lees. It was finally fined and filtered before release.

Tasting Notes: Our first Freefall Pinot Gris is a wine that can be tasted any time of day. It is like a social chameleon that adapts to your mood. With aromas of pear drops, white peaches and flavors of apricot juice, the rich luscious texture makes this new comer one of our most morish and a welcome addition to the Freefall stable. Get some while you can as it is not going to last!

Food Match: Barbequed Crayfish with garlic butter & crusty bread

Cellaring: Drinking superbly now and will cellar well for up to 6 years.

Technical Details: Alcohol 13.5%, Residual Sugar 15 grams/litre

Bottling Date: September 4, 2008

Winemaker: Theo Coles
