## Shaky Bridge Gewurztraminer 2007

- Winemaker:** David Grant (NZ)
- Harvest Date:** Handpicked and sorted from April 16-19, 2007
- Tasting Notes:** Beautifully scented with nashi pear, ginger and floral notes, leading through to a palate of lychee, guava and delicate rosewater. Minerality and a great mouthfeel contribute to the balance of this aromatic wine, which is delicious on its own, but comes alive with spicy cuisine. *David Grant*
- Vineyards:** William Hill and Shaky Bridge, both situated in Alexandra, Central Otago, New Zealand
- Wine Analysis:** Alcohol 13.2%, TA 5.3 g/l, pH 3.26  
Residual sugar 8 grams per liter
- Winemaker's Notes:** The Gewurztraminer grapes were destemmed, crushed, and then loaded into a tank press for 48 hours skin contact. The juice was pressed into stainless steel tanks, and fermented with yeast specifically selected to optimize the characteristics of this fruit. The fermentation was halted when the desired sugar level was reached.
