## **Sleeping Dogs Chardonnay 2006**

**Winemaker:** Dean Shaw, Central Otago Wine Company

**Viticulturist:** Richard Williams

**Notes by Roger Donaldson, Owner:**

Dean Shaw and Richard Williams have again combined their talents to create this Chardonnay. The wine has cantaloupe, guava and orange aromatics with a softly layered mouthfeel and a lingering finish. The grapes for this vintage were hand-picked at our family vineyard, located on the Old Gibbston Road in Central Otago. The Blair Gunn block is named after my parents, Dorothy and Frank.

**Alcohol Content:** 13.5%
